

## Oswego High School All Sports Boosters

### **The legal stuff...**

The Oswego High School All Sports Boosters of Community Unit School District 308 is a 501c3 not-for-profit organization incorporated under the laws of the State of Illinois and chartered under all the laws governing not-for-profit organizations.

### **What you need to know...**

Oswego High School All-Sports Boosters (Boosters) is a great way to get involved at OHS! Membership is easy. If you have a student participating in athletics at OHS, you are automatically a member. What you do with that membership is up to you; however, it's your active participation that makes a difference!

The purpose of Boosters is to support and promote all athletic activity groups at Oswego High School by uniting students, parents, coaches, faculty, staff, and community. We help achieve this by:

- Supporting all student organizations and activities at Oswego High School in ways consistent with school policy;
- Providing financial support to assure the ongoing improvements of Oswego High School athletic programs;
- Raising funds through various means as determined by the Board of Directors;
- Encouraging participation in all school activities in order to enrich the students' physical, social and cultural experiences during their high school years;
- Enhancing school spirit and promoting good sportsmanship on the part of both our athletes and spectators at all school-sponsored events and activities;
- Encouraging and supporting student athletes in their service to our greater community.

What does it look like from a high level? Through your volunteerism we are able to provide and/or support the following:

Since our inception, the **Boosters have provided over \$1,000,000 in financial support to OHS Athletics.** During the 2015-2016 school-year, that number was approximately \$250,000 – and the need for support continues to grow as funding from both the State and District continues to decline. This is why we need your help!

## What's my time commitment?

As stated before, it really is up to you. **Boosters meet once a month from 6:30 – 8:00 PM the on the 2<sup>nd</sup> Monday of every month, except for the month of July.** We ask that you please at least come to the monthly meetings to stay informed. Also, if every member could **volunteer for just one 4 hour concession shift** during the school year, we could easily cover the 100+ events and 4,500 volunteer hours required to support our kids and patrons every school year.
